IT'S ALL HAPPENING ON SATURDAY, MAY 7TH, 2022!

Greendale High School

6801 Southway in Greendale

Please note: Regular Saturday dance classes will be held at the studio on Saturday, May 7th in addition to our recital preparation events at Greendale High School.

The attached dress rehearsal schedule is listed by class day, time and teacher. Dancers must arrive at their **Call Time** in costume with hair and make-up complete. Stage make-up instructions are also attached.

Dancers will have a costume check and individual photos taken in costume in addition to their stage rehearsal with their instructor. Dancers should plan to be at Greendale High School in the music wing for 30-40 minutes following their **call time**. Please be on time, *performance ready* for your 10-minute stage time and *pose ready* for your individual photos.

RECITAL COSTUMES: Recital costumes will be distributed to most dancers beginning Monday, March 28th (this is following our YDA Spring Break). Please refer to the costume information sheets that can be found on your parent portal to ensure you have the correct tights, shoes, and hairstyle for dress rehearsal. Informational sheets will also be distributed with your dancers' costumes.

INDIVIDUAL PHOTOS: Individual posed photos will be taken of each dancer in costume, regardless of whether or not you plan to purchase photos. Photos will be taken by School Pics, Inc. with a beautiful, pure white backdrop to highlight your beautiful dancer in costume! You will be emailed a link to view your photo proofs and place photo orders if desired.

STAGE TIME: This is your dancer's only opportunity to get a feel for the stage and for our teachers to work with the dancers onstage in their formations prior to their first performance. Please be on time for your call and be ready to make the most of your brief time on stage!

Please feel free to reach out with any questions regarding dress rehearsal day, Saturday, May 7th at Greendale High School.

More recital information will be emailed to you in the upcoming weeks.

Thank you,
Sandy
